Need for Consultant Services

J Davis Percussion Services will be entering year 2 of working with our students. Jed Davis writes our percussion music and provides individual instruction on music to all of our percussion students.

Because of Jed's efforts the Santaluces Marching Chiefs have a great percussion section and our percussion ensembles have performed at many concerts throughout the school year.

This year, we will be starting a winter percussion program that will perform and compete at a local and regional level. This will encourage our students to practice more and grow faster than they would without the benefit of his instruction.

J

J Davis Percussion shows genuine concern for our students and helps instill a sense of belonging, discipline and work ethic for our band program. His contribution to Santaluces has been priceless.
