To whom it may concern,

A little less than a year ago I was arrested at Royal Palm Beach High School because I was found with a hunting knife and several bottles of alcohol in my backpack. I was soon later removed from the Palm Beach County School District. I had no where to go to get a decent education. My parents had informed me about the Eagle Academy, I wasn't too fond of the idea at first because I didn't think I was capable of handling a military style school. A few days later I realized that going to the Eagle Academy was my only choice if I wanted to get my life back on track, that was when I made the decision to go to the Eagle Academy. I have been attending Eagle Academy for over four months now and I am going to graduate in less than a week. I currently have a 3.8 grade point average and I am striving for a 4.0. To gain more credits, I have been doing educational options. If I am let back into your school district, I will maintain my current grades and will stay at the top of my game. I will not disappoint you, or anybody else. Thank you

Sincerely,

To: Whom It May Concern:

Re: [REDACTED]

This is in recommendation of Mr. [REDACTED]. He came to our school in a very difficult semester due to our hurricanes yet he consistently conducted himself in a considerate and progressive manner. Mr. [REDACTED] has been a very pleasant addition to classes. He participates in class with astuteness and humor. Maintaining mostly "A"s, grades have clearly been a priority for him. Recently Mr. [REDACTED] was awarded the "Teachers Award", a coveted and difficult award to receive.

Aside from his academics, Mr. [REDACTED] has conducted himself well in and out of the classroom. He is the first to volunteer when help is needed by teachers or staff.

Mr. [REDACTED] has demonstrated that he can be a very successful and motivated young man in and out of the classroom and could continue to be a great part of the program at the Eagle Academy. I sincerely hope that this is recognized by the District.

Respectfully,

Charlie McDaniel
Science Teacher

RE: [REDACTED]

TO WHOM IT MAY CONCERN:

[REDACTED] is a recruit, currently in Company 15 at Eagle Academy. Recruit [REDACTED] is an excellent recruit. He has been in absolutely no trouble while residing here, and has consistently maintained an A-B academic average. He has proudly earned numerous awards during his stay:

- Sergeant's Award
- Corporal's Award
- Quest
- 100 Treatment Team
- Counselor's Award
- Good Conduct
- Drill & Ceremony
- Physical Training
- Knowledge
- Community Service

I personally feel that Recruit [REDACTED] has made a complete turn around, since attending Eagle Academy. It is my recommendation that he be allowed to return to the Academy for another company, as a terrific example for the new recruits.

Thank you for your time and consideration in this matter.

Respectfully,

Willie C. Morris
