Grade 12	22	40	64	27	9
All Grades	276	45	50	32	18

• To provide meaningful results and to protect the privacy of individual students, data are printed only when the total number of students in a group is at least ten and when the performance of individuals is not disclosed. A dash (—) appears when data are suppressed.
 • Percentages may not add to 100 due to rounding.

* **Thirds** are determined by the total scale score distribution for a specific grade/subject by dividing the distribution into three equal groups. This section of the report indicates the percentage of students who scored within each third, with 1 being the lowest and 3 being the highest.
