MARC BARON
CHIEF OF PERFORMANCE ACCOUNTABILITY

MEMORANDUM

TO: Board Members

FROM: Ann Killets *Ann Killets*
Chief Academic Officer

THROUGH: Arthur C. Johnson, Ph.D. *Arthur C. Johnson / AK*
Superintendent

DATE: July 8, 2008

SUBJECT: RELEASE OF THE FY2008 ANNUAL REPORT CARD

On July 8, 2008, the Florida Department of Education (FDOE) released the 2008 Annual Report Card. This document reports State of Florida A+ Plan school grades as well as Federal No Child Left Behind Adequate Yearly Progress (AYP) results. The Florida 2008 Annual Report Card is located at <http://schoolgrades.fldoe.org>. A review of the 2008 Annual Report Card data for the School District of Palm Beach County (SDPBC) follows.

District Grades

- The SDPBC continues its standard of high performance by maintaining a district grade of "A" for the fourth consecutive year. The SDPBC is the only large urban district in Florida¹ to achieve this distinction.
- The SDPBC earned the highest total points (544) of the large urban districts.

School Grades

- Eighty percent of SDPBC schools received a grade of "A" or "B", the highest percentage among the large urban districts.
- Five percent of SDPBC schools received a grade of "D" or "F", the lowest among the large urban districts.
- From FY2007 to FY2008, the percent of SDPBC high schools receiving a grade of "A" increased over 26 percentage points.
- From FY2004 to FY2008, the percentage of SDPBC high schools receiving a grade of "A" increased 35 percentage points; middle schools increased 22 percentage points; and elementary schools increased three percentage points.

¹ The seven largest urban districts are determined by student enrollment.

District AYP

- The percentage of AYP criteria met for the SDPBC and Dade County Schools (79%) exceeded those of the other large urban districts in Florida.
- For the fourth consecutive year, the SDPBC has achieved the improved graduation rate and increased performance in writing as required for AYP².

School AYP

- From FY2007 to FY2008, the percentage of SDPBC high schools making AYP increased by eight percentage points; while middle schools remained the same and elementary schools decreased by 14 percentage points.

Tables of school grades and AYP are attached, and are also available on the Research and Evaluation web site at <http://www.palmbeach.k12.fl.us/9045/files/schgrade08.pdf>. For questions concerning school grades and Adequate Yearly Progress, contact Dean Stecker, Director of Research and Evaluation at 561-432-6376. For questions concerning specific schools, contact the area superintendents or school principals.
