The School District of Palm Beach County will soon be administering district and state assessments and End-of-Course exams (EOCs) in various subject areas. These assessments may be administered in paper-based and/or computer-based formats. Students who are active participants (LY) in the English for Speakers of Other Languages (ESOL) program or have been recently exited from the ESOL Program (LF) have the opportunity to receive accommodations during testing. These same accommodations must also be provided on a regular basis during classroom instruction and assessments. Based on the student's instructional needs, school personnel make a recommendation for appropriate individualized accommodations.

Accommodations that will be provided for your child are checked below:

- Flexible setting - small group, separate room
- Flexible timing - additional time to take the test
- Flexible scheduling - administration of test in several brief sessions within one school day
- Use of an English-to-heritage language/heritage language-to-English dictionary or glossary (when feasible)
- Limited assistance in the heritage language (when feasible)

If you have any questions concerning assessment accommodations, contact your child's teacher.
