Enterprise Risk Management (ERM)

- ▶ ERM - The way to effectively evaluate and manage the various risks that our District encounters while attaining the objectives of our Strategic plan. Avoiding unnecessary expenses from injuries or property damage, for example, allows management to use those resources to achieve better outcomes for our students.
- ▶ All employees in Palm Beach County School District should incorporate Risk Management into key daily operational processes and decision making.
- ▶ Staff is encouraged to use “Risk Informed” (understanding the potential risk using tools given) decision-making, balanced with innovation and resources available to plan activities, and/or resolve issues and improve the way we work to achieve educational objectives.
- ▶ In an organization the size of Palm Beach County Schools, a handful of employees in Risk Management cannot evaluate all risk. Therefore all employees, especially Principals and Directors, need to learn how to recognize, evaluate & mitigate risk. A basic understanding of risk is needed to make better informed strategic decisions, successfully deliver change, and help breakdown silo decision-making. Better decisions result in increased operational efficiency and enhance political and community support.

Throughout the school year, Special Events, both school-sponsored and non-school sponsored are organized for fundraising, student entertainment and enrichment. School sponsored activities may occur during school hours, outside the normal school day, or on or off campus. The **Special Events Risk Planning Guide** (SERPG.) is designed to assist you in being “Risk Informed” and this resource is to be used in planning special events, leasing, school activities, and some field trips. The SERPG is to be used in coordination with **PBSD 2498 Risk Planning Tool** along with the policies and directives set by the School Board of Palm Beach County and each department.

Please be aware that the school sponsoring the special event, lease, school activity, and field trip is the Risk Owner. This guide incorporates procedures and policy items to help create a safe experience.

In order to make the content easy to understand, activities have been divided in three categories: **Red Light** (not allowed), **Yellow Light** (allowed with conditions) and **Green Light** (allowed, go!).

***Insurance and Hold Harmless are required when using vendors for any listed event.**

Red Light Activities

RED LIGHT ACTIVITIES ARE PROHIBITED ACTIVITIES UNDER BOARD POLICY AND NOT APPROVED FOR USE ON OR OFF SCHOOL DISTRICT PROPERTY!!

Yellow Light Activities

YELLOW LIGHT ACTIVITIES require additional precautions and there is some risk involved. Occasionally, schools and school based organizations want to sponsor activities that require additional insurance coverage, waivers of liability and certificate of insurance. Schools, PTA and PTO must adhere to any special arrangements and conditions. The event / club sponsor, lessor or lessee (PTA, PTO) should complete PBS 2498 that is designed to help assess the risk(s) involved with any special events on District property. Once completed route to the School's Principal / Department Head for review and if additional assistance is needed reach out to the designated Safety Technician or the Insurance Specialist with any additional questions.

Green Light Activities

GREEN LIGHT ACTIVITIES and events listed on the **GREEN** pages of this guide.

All activities require signing the Hold Harmless Agreement and providing the necessary Proof of Insurance.

GO!

GO!

RED LIGHT ACTIVITIES

Certain activities and events are **PROHIBITED** under School Board Policy. Other activities and events are covered under school board insurance programs. Individual PTA/PTO/Booster Club officers may be held personally liable for conducting any of the events listed on the prohibited list.

In order to minimize risk exposure, the School Board of Palm Beach County has deemed certain activities prohibited because they may be **dangerous** and **jeopardize** the **safety of our students**. Such activities also jeopardize the financial strength of the Boards' self-insurance program.

Pursuant to School Board Policy 2.16, (4.) (c); due to the inherent dangers posed by mechanical rides, no school or school based organization is permitted to allow any mechanical rides on School District property or at any school sponsored activity for any activities whatsoever.

THESE ACTIVITIES ARE NOT ALLOWED

HOLD HARMLESS AGREEMENT AND INSURANCE REQUIREMENTS

In order for the School Board of Palm Beach County to be protected each Vendor/Service Provider must sign the Hold Harmless Agreement (Appendix C.) Each Vendor/Service Provider must also comply with the Insurance Requirement as listed in the Hold Harmless Agreement.

Most school based organizations are required to have their own general liability insurance. Each PTA should have acquired commercial general liability insurance. School sites should acquire a certificate of insurance from the school based organizations and have the School Board of Palm Beach County listed as an Additional Insured.

Insurance Requirements:

- **Workers' Compensation Insurance**
Required if the vendor has employees engaged in the performance of work under this agreement.
- **Commercial General Liability**
Required at limits of \$1,000,000 per occurrence, \$2,000,000 General Aggregate. This policy shall cover all risks, with the contractual liability assumed by the vendor/concessionaire/service provider under the indemnification provision set for in the agreement, and include Bodily Injury, Property Damage and Personal Injury.
- **Automobile Liability Insurance**
Required only if transporting students or if you are bringing automobiles onto District Property at the event. \$500,000 is the minimum limit.

In some instances participant coverage is required. Contact Risk Management at (561) 434-8634 or PX 48634 if you have any questions.

If your vendor/concessionaire/service provider falls under (b) or (c), a Certificate of Insurance, (Appendix G) showing policy limits and the Additional Insured endorsement listing the School Board of Palm Beach County to the policy MUST be submitted with your contract or lease agreement.

***Everyone must adhere to Jessica Lunsford requirements (Appendix K).**

GREEN LIGHT ACTIVITIES

Approved activities and events are listed on the **GREEN** pages!

GREEN light activities are divided into two (2) categories:

Category #1 – Green light activities with school staff purchasing supplies and/or food and running the event. ** DOES NOT REQUIRE HOLD HARMLESS AND/OR INSURANCE (see below)

For example:

If the school has pizza delivered as a class reward then we do not need the insurance or hold harmless agreement. The exception for the insurance requirement, is for food delivery when it is to be served to students or staff. If it is to be used as a fundraiser it needs to meet the insurance and hold harmless requirements. However, if a vendor remains on site and actually serves the food and they have control of the process, then the insurance and hold harmless is required.

1) Those Green Light Activities (low risk, no leases and easy for schools to set up) that are run by the school and **do not** utilize the services of vendors **will not** have to meet insurance or hold harmless requirements.

Example #1: Restaurant delivers pizza and school sells or uses for a party or meeting

Example #2: Parent volunteer leads a program demonstrating line dancing and gets people to participate

Example #3: Craft fair – School sells tables for \$50 and parents can sell their crafts and keep the money.

Category #2 – Green light activities that are school sponsored with a vendor managing all or a portion of activities. ** WILL REQUIRE HOLD HARMLESS AND/OR INSURANCE (see below)

For example:

1) School sponsored event but with a vendor managing all or a specific activity will have to meet insurance and hold harmless requirements.

Example #1: A Restaurant delivers food and stays to keep it warm and sell it, whether or not the school makes a profit.

Example #2: Line dancing instructor is paid to come in and lead a dance program to participants at a rally or festival.

Example #3: A flea market hires an outside company and is paid to manage the flea market and organizes vendors who pay for the spots.

****Under no circumstances should any school-based organization sign a “Hold Harmless Agreement” for a vendor/service provider, or agree in any way that the school-based organization (PTA, PTO, Project Graduation) will be held responsible for liability:**

(1) Review all contractual arrangements very carefully and seek advice from the Legal Services prior to signing. (2) Vendors (if applicable) for these activities are still required to sign the Hold Harmless Agreement and provide the necessary Proof of Insurance and (3) meet Jessica Lunsford requirements (Appendix K).

Quick Reference Sheet for Clean and **Green** Rides and Amusements for Special Events

The following rides and amusements are approved as **Green** light activities. This quick reference sheet is intended to assist schools in selecting approved activities. However, it is not an all-encompassing list.

From this list schools can hire vendors that meet **Risk Managements Requirements for Ride and Carnival Event Vendors** (including insurance) and request these rides without any other approval needed. Rides that are not on this list should be checked in the detailed sections of the **Special Events Guide** under **Green**, **Yellow** and **Red** light events.

All vendor furnished events **are required** to have vendor-supplied attendants for any and all amusement rides/activities. Attendant is to be with the activity from the point of set up, supervise while in use, and at tear down until it is removed from The School District of Palm Beach County property.

All vendors must adhere to the Jessica Lunsford Act (Appendix K).

1. **Game Trailers** – self-contained trailers that house a variety of activities or video type games. Content must be age-appropriate per ESRB.org ratings. Absolutely no “M” or “A” rated media allowed.

2. **Photo Booths** – booths or enclosures that provide pictures of users.

Note: Photos from booths are to be used for entertainment purposes only and not to be used by vendors or others for any purpose.

3. **Inflatable Obstacle Course** – that provide challenging and varied obstacles that participants will navigate from a beginning point to an end point. A minimum of two (2) attendants are required. **Note:** Zip lines or any mechanical features are prohibited.

4. **Laser Tag** – recommended to be played on turf grass or other non-hardened surface such as PE fields.

5. **Mini Golf** – clearly marked area.

6. **Carnival Games** – varied games of skill and chance usually played for a prize.

Note: NO darts or shooting games (see **Yellow** light events).

7. **Inflatable Slides** – slides shall be open and platforms are not to exceed 16 to 18 feet high.

Note: Slides are not to be set up on hard surfaces such as parking lots, courtyards of the school, or play-courts.

8. **Inflatable Bumper Cars** – in contained inflatable or padded areas self or low voltage battery propelled.

**Quick Reference Sheet
for Clean and Green Rides and Amusements for Special Events (Cont'd)**

A. Employees of the proposing company need to comply with all Policies of the Jessica Lunsford Act (Appendix K). Employees other than delivery drivers need to be screened and display vendor ID badges while on District Property.

B. Proposing companies need to comply with insurance requirements as follows and complete the Consultant Agreement Form #1420.

C. **Insurance Requirements:**

- Workers' Compensation Insurance limits per Chapter 440 of Florida Statute: required if you have employees engaged in the performance of work under this agreement.
- Comprehensive General Liability: \$1,000,000 per occurrence, \$2,000,000 general aggregate required. This policy shall cover all risks, the contractual liability assumed by vendor/concessionaire/service provider under the indemnification provision set for in Section 11 of the Agreement, and include Bodily Injury, Property Damage, and Personal Injury. The School Board of Palm Beach County shall be named as an Additional Insured.
- Automobile Liability Insurance: required only if you are providing transportation (e.g. limousine or bus service) or bringing automobiles onto District property at the event, \$500,000 limit required. If you subsection (b) or (c) apply to Consultant, a Certificate of Insurance (Appendix G) showing coverage for the policy limits and the additional insured endorsement to the policy MUST be submitted with your contract. The Consultant shall furnish a Certificate of Insurance, naming the School Board of Palm Beach County as an Additional Insured with General Liability Limits of at least \$2,000,000 per occurrence.
- All insurance companies must have an A.M. Best's rating of A- VII or better.

D. Proposing Companies should demonstrate by references or other means at least three (3) years minimum of school, municipality or commercial experience in the supplying, set-up and operation for the amusements or type of rides being proposed. Residential work does not qualify.

E. Proposing companies shall possess a current Business Tax Receipt for Palm Beach County.

Hold Harmless Agreement

The vendor/service provider must sign a Hold Harmless Agreement form. The Hold Harmless Agreement spells out the insurance requirements for the vendor/service provider. Be sure to give a copy of the Hold Harmless Agreement to your insurance broker. Insurance is required for all medium and high risk event events, as described in the Special Event Risk Planning Guide regardless of dollar value of the event.

Name of Vendor/Service Provider	Name of Contact		
Street Address	City	State	Zip Code

INSURANCE REQUIREMENTS:

- (a) Commercial General Liability. Required \$1,000,000 per occurrence. This policy shall cover all risks, the contractual liability assumed by vendor/concessionaire/service provider under the indemnification provision set for in the agreement, and include Bodily Injury, Property Damage, Personal Injury. The Palm Beach County School Board shall be endorsed as an additional insured to the policy and a copy of the certificate shall be submitted with the lease or contract.
- (b) Workers' Compensation Insurance. Required if you have employees engaged in the performance or work under this agreement.
- (c) Automobile Liability Insurance. Required only if you are providing transportation (e.g. limousine or bus service) or bringing automobiles onto District property at the event. \$500,000 limit required.

If you (vendor/concessionaire/service provider) fall under (b) or (c), a Certificate of Insurance showing policy limits and the additional Insured endorsement to the policy MUST be submitted with the lease or contract.

HOLD HARMLESS:

I/We _____ (name of the vendor/service provider)

shall save, defend, indemnify and hold harmless the School Board of Palm Beach County, including all officers, directors, instructors, support staff and students, from and against my/our liability for "bodily injury," "property damage" or "personal and advertising injury" caused by my/our acts or omissions for the acts or omissions of those acting on my/our behalf:

- (a) In the performance of my/our operations.
- (b) In the sale or distribution of my/our products; or
- (c) In connection with my/our advertising or public relations to you.
- (d) In following, requiring or performing work under the School Board "Facility Use Agreement" form.
- (e) The Vendor/Concessionaire/Service Provider shall furnish a Certificate of Insurance, naming the School Board of Palm Beach County as an additional insured with Commercial General Liability Limits of at least \$500,000 per occurrence.

WAIVER OF SUBROGATION:

In the event of loss, damage or injury to the Vendor and/or the Vendor's property, the vendor shall look solely to any insurance in its favor without making any claim against the Purchaser. The Vendor hereby waives any right of subrogation against the Purchaser or the School Board of Palm Beach County, for loss, damage or injury within the scope of the Performer's insurance, and on behalf of itself and its insurer, waives all such claims against the Purchaser and the School Board of Palm Beach County.

Note: The terms and conditions of this agreement shall apply with respect to Vendor's/Concessionaire's/Service Provider's operations for any school or ancillary owned by the School Board of Palm Beach County.

Signature of Vendor or Service Provider Date

NOTE: Failure of Vendor/Service Provider to keep the required insurance policies in full force and effect during the work covered by this agreement shall constitute a breach of agreement. In the event of a breach, the School Board of Palm Beach County shall have the right but not the duty to procure insurance covering the vendor for the period of this agreement. The School Board of Palm Beach County from the proceeds due to the Vendor/Concessionaire/ Service Provider will deduct the cost of this insurance.

Appendix D

BOUNCE HOUSES / MOON WALKERS / AIR FILLED SLIDES OR EQUIPMENT

**All inflatable equipment must be set up and anchored to the manufacturer's specifications.
Do not set up over hard surface.**

The Vendor shall:

- 1) *Verify that there is no lead based paint used on the inflatable.*
- 2) *Provide inflatables with "Finger Safe" netting that is small enough that little fingers cannot fit in the openings, but still easy to see through.*
- 3) *Provide equipment with Deflation/Rapid Collapse Prevention – inflatables must have a "safety flap" on the blower tube that closes if blower pressure stops. A blower alarm system must be used to alert the vendor of interruption of airflow to unit. Primary concern is the ability to safely/properly evacuate the inflatable if the vendor is unable to correct the blower problem. Inflatable slides must have a sealed chamber per the consumer products safety commission to prevent rapid collapse.*
- 4) *Have an emergency plan in place and include as part of their operator training.*
- 5) *Provide trained employees to supervise all students and participants when using the inflatable(s) the entire time.*
- 6) *Provide the school, PTO/PTA/Booster Club, or Facility User with a written copy of the equipment's maximum Height and Weight limitation in operation, maximum number of occupants, and required cubic feet per minute (CFM) of air that must be maintained during use.*
- 7) *Show the school, PTO/PTA/Booster Club, or Facility User all air intake areas, CFM measuring equipment on the unit, all tie down areas, and verify the unit is secure and properly fastened to the ground. The areas may require a minimum safe operation distance from any passerby and the vendor must provide the school, PTO/PTA/Booster Club, or Facility User with details regarding safe distances.*
- 8) *Complete a written agreement listing their equipment as well as complete the Hold harmless Agreement for Vendors/Service Providers.*
- 9) *Provide the school, PTO/PTA/Booster Club, or Facility User with a certificate of insurance with at least \$ 2,000,000 in general liability coverage and at least statutory limits for Workers Compensation Coverage. The certificate shall name the Palm Beach County School Board as additional insured to the General Liability policy.*
- 10) *Vendor cannot require a student, participant or the school to sign a waiver of liability.*
- 11) *Manufacturers set up manual needs to be on site with equipment.*
- 12) *Mechanical compensator zip lines not allowed.*
- 13) *Not to exceed 16-18 feet high.*
- 14) *Vendor shall bring equipment, set up, supervise and tear down. There is no "Drop & Go" of equipment allowed.*

The school, PTO/PTA/Booster Club, or Facility User shall:

- 1) **Provide additional supervision on the operation of the inflatable units.**
- 2) **Carefully view and observe the equipment for any potential safety hazards. This could include tears, filth, or similar unkempt issues. Prior to use the vendor should repair and/or clean these areas to your satisfaction. If equipment cannot be repaired or cleaned it should not be used.**

**If you need further clarification and/or review of your activity, please send documentation to
Risk Management Insurance Specialist and the Safety technician for your school.**

Appendix E

DUNK TANKS OR OTHER AMUSEMENT TYPE EQUIPMENT

All equipment should be set up according to the manufacturer's recommendations:

The vendor shall:

1. **Adhere to the equipment's maximum weight limitation in operation that must be maintained during use according to manufacturer's specifications.**
2. **Inspect the tie down or set up details to make sure the unit is securely fastened to the ground.**
These areas may require a minimum safe distance from any passersby and the vendor must provide details regarding safe distances.
3. **Provide trained employees to supervise all students and participants when using the equipment and provide details to trained employees on how to properly supervise children when in, on, or around the equipment. The vendor should make sure those providing supervision are doing so according the manufacturer's recommendations, also manufacturer's manual shall be on site with equipment.**
4. **The vendor should, after set up, be the sole operator of the equipment from start to finish. The only individual authorized to operate the vendor's equipment or verify students are safely participating in the unit prior to and/or during operation is the vendor or vendor's employees.**
5. **Complete a consultant agreement listing their equipment as well as complete Hold Harmless Agreement found in this manual and provide it to the school, PTO/PTA/Booster Club, or Facility User.**
6. **Provide school, PTO/PTA/Booster Club or Facility User with a certificate of insurance with at least \$2,000,000 in general liability coverage and at least statutory limits for Workers Compensation Coverage. The certificate shall name the School Board of Palm Beach County as additional insured to the General Liability policy.**
7. **Not require any student, participant, or the school to sign a waiver of liability.**
8. **Vendor shall bring equipment, set up, supervise and tear down. There is no "Drop & Go" of equipment allowed.**

The school, PTO/PTA/Booster Club or Facility User shall:

1. **Make sure students are not allowed to be in the dunk tank at any time. (Supervision may only be provided by Vendor's trained employees.)**
2. **Obtain Form PBSB 2449 fully completed by the adult participant.**
3. **Carefully view and observe the equipment for any potential safety issue. This could include rusted gears, equipment that fails to operate properly, metal areas that could expose people to injury, rust, and tears in the seating area, filth, or unkempt issues. Prior to use the vendor should repair and/or clean these areas to your satisfaction. If the items cannot be repaired or cleaned the equipment cannot be used. Use fresh clean water.**
4. **Obtain all the documents listed above.**
5. **Once the vendor sets up the equipment, the vendor shall actively supervise students or participants waiting to utilize the equipment, which includes making sure maximum occupancy is not violated.**

Please send documentation to Risk Management Insurance Specialist, and the Safety technician for your school if you need further clarification and/or review of your activity.

Appendix F

ROCK CLIMBING WALLS OR OTHER SIMILAR EQUIPMENT

All equipment should be set up according to the manufacturer's recommendations:

The vendor shall:

1. **Adhere to the equipment's maximum weight limitation** in operation that must be maintained during use.
2. **Inspect the tie down or set up details to make sure the unit is securely fastened to the ground.** These areas may require a minimum safe distance from any passerby and the vendor must provide details regarding safe distances around the equipment that participants or spectators must stand.
3. **Provide trained employees to supervise all students and participants when using the equipment and provide details to trained employees on how to properly supervise children when in, on, or around the equipment. The vendor should make sure those providing supervision are doing so according the manufacturer's recommendations. Manufacturer's manual shall be onsite with equipment.**
4. **The vendor should, after set up, be the sole operator of the equipment from start to finish. The only individual authorized to operate the vendor's equipment or verify students are safely harnessed in the unit prior to and/or during operation is the vendor or vendor's employees.**
5. **Complete a consultant agreement listing their equipment as well as complete Hold Harmless found in this manual and provide it to the school, PTO/PTA/Booster Club, or Facility User.**

HOW TO CHECK CERTIFICATES OF INSURANCE

(Updated for SY 2018/2019)

Reviewing certificates of insurance is important. It is a vital practice in assisting Risk Management with claims management. Please refer to the attached sample Certificate of Insurance (COI), and note the following **general** guidelines when reviewing vendors' certificates of insurance for compliance.

Each guideline is reflected in the attached sample certificate of insurance by corresponding number:

- 1) The date of the certificate was issued should not be more than 30 days from the date of its request. Check with the Insurance Specialist prior to using a COI issued for a prior event or different event date(s).
- 2) **The name of the "INSURED" must be the name of the entity with whom we are contracting,** unless noted in the Description of Operations section explaining the relationship (i.e. ownership) between the insured and the party you are contracting with.
- 3) The Commercial General Liability (CGL) form generally should be provided on an "Occurrence" basis, and the box should be checked for that form. The "**Claims Made**" form **is not acceptable**, contact the Insurance Specialist if you notice a "Claims Made" has been indicated and the box is checked. It is required by that the School Board of Palm Beach County be listed as "**Additional Insured**". This must be shown in the box marked **ADDL INSR.**
- 4) A "**Policy Number**" should be indicated in the Policy number box.
- 5) The "**Effective Date**" should be no later than the lease / event agreement date or the first date that the vendor begins leasing the facility or the event date.
- 6) The "**Expiration Date**" should not be prior to the event date and be monitored to ensure that the renewal certificates of insurance are received on a timely basis. Especially if it is an annual "full year" lease or ongoing school event.
- 7) The Limits of Liability for damage to rented premises "**Each occurrence**" must be at least \$100,000 and should indicate all of the required coverage (i.e. "products-completed operations").
- 8) The Limits of Liability for "**Med Expense**" should be not less than \$ 5,000 any one person. This provides accident coverage for participant. As an option, if "Med Expense" is excluded, Participant Accident coverage may be shown as a separate policy.
- 9) Business automobile is required **only if bringing automobiles on School Board property as part of an event. Automobile liability, if applicable, needs to be properly marked in the additional insured box. The combined single limit is a minimum of \$500,000.** Please note that in some instances the proof of coverage will be submitted from a different carrier on a separate certificate of insurance. It is required by that the School Board of Palm Beach County be listed as "**Additional Insured**".

Appendix G (continued)

- 10) Workers Compensation is required only if **“Lessee/Vendor” will have employees engaged in work and on the premises under this Agreement.** Workers compensation and employers liability in accordance to and in compliance with Chapter 440, Florida Statutes.
- 11) **Participant coverage is required for any type of athletic activity.** Sometimes this coverage will be purchased separately and a separate coverage sheet will be presented. The limit is \$25,000.
- 12) The Certificate Holder must be listed as **The School Board of Palm Beach County,**
3300 Forest Hill Boulevard, West Palm Beach, FL 33406.
The School District is not a legal entity. It must say School Board.
- 13) The certificate **should be signed** by the insurance agent or an insurance company representative.
- 14) This box can be left blank and or a description of activities. It may also state that the Certificate Holder is an Additional Insured. **Please remember to keep a copy of the Certificate of Insurance with your lease!!**
- 15) **Some auto insurance coverage is written with companies that use their own forms. (Not this Acord 25 example.) Our requirements must still be clearly met on their form.**

HOW TO REPORT A CLAIM FOR “VENDORS LIABILITY”

If you learn of an incident that happened while your facility was being “leased” by a Vendor, you must report the incident to Risk Management.

- 1) Claims reporting for Vendor Liability or any Lessee should be done on the Student or Visitor Accident Report (PBSD 0335). This form is accessed through e-forms and it is routed to Risk Management. Please contact Risk management in regards to the incident if it appears severe. Be prepared to have the date, time and location of the loss, details of the incident/accident and name, address and phone numbers of involved parties.
- 2) Property Damaged to rented/leased premises should be reported to the Insurance Specialist and your FMC. If applicable, please retain the name of law enforcement agency or fire department along with the incident/report number.

HOW TO REPORT A CLAIM FOR “EVENT INJURY or PROPERTY DAMAGE”

- 1) Claims reporting for ANY INJURY should be done on the Student or Visitor Accident Report (PBSD 0335). This form is accessed through e-forms and it is routed to Risk Management. Please contact Risk management in regards to the incident if it appears severe. Be prepared to have the date, time and location of the loss, details of the incident/accident and name, address and phone numbers of involved parties.
- 2) Property Damage to the facility by a vendor should be reported to the Insurance Specialist and your Facilities Maintenance Coordinator (FMC). If applicable, please retain the name of law enforcement agency or fire department along with the incident/report number.

EXTRA CURRICULAR FOOD VENDOR REQUIREMENTS

If you plan to use the service of a mobile food vendor at school functions such as football games or fairs, there are specific requirements that must be followed.

If the Vendor sells food only on School property for events such as football games and **does not** sell food commercially to the general public outside of School events, then the vendor must provide the school with copies of the following documents prior to the event:

- **A license from the Florida Department of Health, Florida Department of Agriculture or the United States Department of Agriculture;**
- **A current Local Business Tax Receipt issued in Palm Beach County;**
- **Appropriate insurance and the completion of the District's Hold Harmless Agreement for Vendors & Service Providers for events held on District property**

If the Vendor **DOES** sell food to the general public outside of school events, then in addition to the requirements listed above, the vendor must also be licensed by the Department of Business and Professional Regulation (DBPR). If you or the vendor have specific questions about this requirement, please contact the DBPR at 850-487-1395 or review the policies for public food service establishments at www.myfloridalicense.com. **Further, the vendor must provide a Certificate of Insurance showing their General Liability/Auto Liability/Workers Comp insurance per Appendix G.**

Cooking Outside (BBQ)

Provide a barrier around the cooking equipment to prevent accidental contact and/or tipping over. Store charcoal, lighter fluid and propane in a flammable storage cabinet or inside of a non-combustible building. Do not store materials inside of a wooden frame concession building. Inspect condition of propane gas tank, grill, valve and supply hose.

If your school is operating its own concession stand you are not required to have an FDOH Sanitation Certificate (food hygiene permit) if serving only pre-packaged, catered meals which have been prepared in an approved food establishment and where no storage, re-heating, refrigeration, or re-service of the food takes place on site. If, however, the school's concession stand does serve food that is prepared at the concession stand or purchased from/prepared at a different location and further prepared (heated, plated, repackaged, etc.) at the concession stand, then a Florida Department of Health Sanitation Certificate is required.

Food Trucks Requirements

Info List

1. License from the Florida DBPR and accompanying current health inspection for mobile kitchen. Please see <http://www.myfloridalicense.com/dbpr/hr/Servicesthatrequirelicense-PublicFoodService.html> for who needs a license or not.
2. Current Local Business Tax Receipt in Palm Beach County.
3. Signed Hold Harmless Agreement (PBSD 2496) for vendors & service.
4. Appropriate Insurance- General Liability Policy naming the School Board of Palm Beach County as additional insured.
5. Appropriate Insurance- Auto Policy naming the School Board of Palm Beach County as additional insured.
6. Meet Jessica Lunsford Requirements for badging.
7. Fire Inspection certificate (if required) for trucks with fire suppression systems. MFDVs (Mobile Food Dispensing Vehicles) are required to install a portable fire extinguisher on each vehicle equipped with heat producing appliances. The local fire safety authority may require the MFDV to have an automatic fire suppression system installed over cooking equipment if grease laden vapors are produced.

Suggested Messaging to Food Truck Vendors

1. All participants must hold a current, active mobile food vendor license must not be the subject of any pending disciplinary activity.
2. All participants' trucks may be subject to a full inspection.
3. Each vendor will be responsible for providing a trash can and a power source to his or her vehicle, (e.g., generator). Electrical outlets may not be available for this event.
4. Each participant's vehicle or unit must stay in its assigned spot for the duration of the event.
5. Alcohol will not be sold, served or consumed at this event.
6. Spaces are available on a first come, first serve basis.

Explanation:

The risk management concerns are property damage done to the school with a commercial vehicle as well as if someone gets food borne illness from one of the trucks. We also want to prevent someone from being injured by the vendor's equipment or personnel. Our role is to protect our students, staff and visitors. This will transfer the risk to the food vendor; therefore, we need them to be insured.

Reminders:

1. Obtain a Certificate of Insurance and an endorsement naming the School Board of Palm Beach County as Additional Insured on the policy. The vendor/service provider must also sign a Hold Harmless Agreement PBSD 2496 (Appendix C). The Hold Harmless Agreement spells out the insurance requirements for the vendor/service provider. Advise the vendor to give a copy of the hold harmless agreement to their insurance broker.
2. This activity should not conflict with School Food Service (Policies 6.185 and 6.27) and it should comply with all Department of Health guidelines.

INSURANCE REQUIREMENTS from the Hold Harmless Agreement:

Workers' Compensation Insurance is required if you have employees engaged in the performance or work under this agreement.

1. Commercial General Liability required \$1,000,000/\$2million. This policy shall cover all risks, the contractual liability assumed by vendor/concessionaire/service provider under the indemnification provision set for in the agreement, and include Bodily Injury, Property Damage, Personal Injury. The Palm Beach County School Board shall be endorsed as an additional insured to the policy and a copy of the certificate shall be submitted with the lease or contract.
2. Automobile Liability Insurance is required only if you are providing transportation (e.g. limousine or bus service) or bringing automobiles onto District property at the event. \$500,000 limit is required. For example food trucks, commercial trucks etc. The Palm Beach County School Board must be an Additional Insured.

Risk Management Requirement for Vendors

Jessica Lunsford ACT

- As a reminder the school must comply with Jessica Lunsford Act any vendor and staff must be badged to be on the property.
- The vendor also needs to be with the **item/event from set up to tear down**, each item/event requires a staff member.
- If **vendor/ staff if not badged** see below from Legal Services:
“Volunteer background check must be conducted; and requires direct supervision by a District employee who has undergone the Level II check.”

Jessica Lunsford Act

On June 20, 2007, the Governor signed into law Senate Bill 988, Relating to High Risk Offenders. The bill, effective on July 1, 2007, requires specific notations on the driver's licenses of sexual predators, and established standards and procedures related to the background screening of individuals who provide contracted non-instructional services to Florida public schools or districts.

The sections of Florida law pertinent to the screening of individuals who are vendors or contractors with a Florida public school or district as amended or created by [Senate Bill 988](#), may be accessed at:

- [Section 1012.465, Florida Statutes](#)
- [Section 1012.467, Florida Statutes](#)
- [Section 1012.468, Florida Statutes](#)

NOTE: this applies to anyone that is on the campus.
